

## Assignment

Build the following template (refer page 2) using HTML, CSS & JavaScript. Candidates are only allowed to use the elements (images) which are provided to them. Each element provided will have a unique link associated with it, clicking on the element should open that URL (refer to this [file](#) for the image links & the click URL's that have to be used). On the click of the submit button entered data in the form fill section should be stored in the following page.

(<https://docs.google.com/document/d/1W0swizgXUlsdmZmy-U3sdQs4ZX3f2Sr6marlibQwIRQ/edit?usp=sharing>)

ex: if email id and mob no entered are [abcd@example.com](#) & 999999999 and the roll no of the candidate is 097112, then the data needs to be stored in the form as [097112|abcd@example.com](#) & 097112|9999999999

Grading would be done based on the level of tasks that the candidate has successfully implemented. If everything works as expected candidate would be given a full score.

**This is an open book assignment.** Candidates are required to submit the assignment by sending the HTML file to [veluvolu@stepni.com](mailto:veluvolu@stepni.com) by **23:59, 24-02-2016**. The subject of the mail & name of the attachment should be the candidates roll no and branch (ex. 097112\_CSE\_Assignment). Any submissions after the deadline will not be considered.

If candidates have any queries regarding the assignment they can email it to [veluvolu@stepni.com](mailto:veluvolu@stepni.com)
